President Faulkner,
Toronto University,
Toronto, Ont.

Dear Sir:

As acting president of the Toronto University Club of New York City, I would like to extend an invitation to you to attend our next annual dinner in this city.

If you can come, will you please give us dates convenient for yourself during January or February, and we will try to arrange the dinner to suit your convenience.

Yours very truly,

R. G. Snyder.

Dr. R. G. Snyder,

675 Park Avenue,

New York.

My dear Dr. Snyder:

I have to thank you for your kind invitation to attend the annual dinner of the University of Toronto Alumni Association of New York, and you suggest that dates might be given in January and February. Allow me to say that it would give me great pleasure, as it always has done, to attend the Alumni Dinner in New York, but this year I have to be in Philadelphia to deliver a lecture at the Drexel Institute on March 15th, and it will be almost impossible for me to make another trip to New York before that date. However, as I wrote to Mr. Pallantyne, Professor A. R. Macallum has to be in New York early in February, and as he has never been present at the dinner of the Alumni in New York as far as I know, I have asked him whether he would not represent the University on that occasion. I hope that this will be agreeable to you, and that I may be able to attend your regular dinner in the year following.

We all regret very much the death of Dr. Gould, but I am glad to congratulate you on having been elected to take the place that was vacated by his sudden death. With the season's greetings,

I am, Yours sincerely,

New York.

Dear Dr. Snyder:

Mrs. Falconer and I leave for New York on Saturday afternoon, and we are to stay there with friends, Dr. Henry Sloan Coffin, 121 East 71st Street. On Monday I shall likely want to have most of the day showing Mrs. Falconer certain places in New York, but I shall find out from you where the meeting is to be in the evening.

Dr. Macallur will be staying either at the Belmont or the Murray Hill Hotel.

Yours sincerely,

President.

March 28th, 1916

Dr. R. C. Snyder,

New York.

Dear Dr. Snyder:

I have been intending for some days to write and thank you for your kindness to us when we were in New York and to congratulate you on the success of the Alumni Dinner. It went off very well indeed and you must feel a satisfaction in knowing this after the efforts that you made.

I feel sure that we need to have a better organisation to carry out the suggestion that you made of headquarters in each centre where graduates of ours may meet their fellow-graduates, and perhaps through them be introduced into the new life into which they enter. I hope that we may get some better organisation before long.

I had very pleasant visits to our Alumni also in Philadelphia, Baltimore and Pittsburgh. Everywhere they seemed interest^{ed} in the progress of Canada and in the University as well.

I have just received a note asking me to have dinner with you on Tuesday evening, April 4th. I regret, however, that I have another engagement for that evening. If you have made no other arrangement for lunch on Tuesday or Wednesday I hope that you will give me the pleasure of having lunch with me.

With kind regards,

Yours sincerely,
